SUBJECT: Notification of Location Change for Public Meeting – Ventura Beaches Total Maximum Daily Load (TMDL) for Bacteria

Our notice dated October 30, 2006, informed you that the California Regional Water Quality Control Board, Los Angeles Region (Regional Board) would hold a public meeting to solicit public participation in the development of a TMDL for bacterial exceedances at the Channel Island Harbor Beaches and Harbor Cove Beach at 1:00 p.m. on November 16, 2006.

This notice is to inform you that the time and location of the public meeting has been changed. On **November 16, 2006**, the public meeting will begin at **2:00 p.m. in the Multi-Purpose Room of the Ventura Government Center Hall of Administration Building, 800 S. Victoria Avenue, Ventura, California**

At the meeting, Regional Board staff will discuss the analysis of bacterial data from the Ventura Beaches, recent actions at the Channel Islands Harbor, the technical approach to developing a plan to restore the Ventura Beaches, and TMDL development schedule. Staff will also solicit input regarding effective public and stakeholder participation in the TMDL process.

Please contact Man Voong at (213) 576-6808 (mvoong@waterboards.ca.gov) or LB Nye at (213)576-6785 with questions or to be included on the agenda.
